

1. Mobile office: middle passenger seat folds down to present laptop and clipboard storage. Cabin also offers 84 litres of storage including 3 litre glovebox
2. wireless smartphone charger[^]
3. smartphone integration via AndroidAuto™ or Apple CarPlay™

premium and spacious cabin

The completely redesigned interior on Trafic brings some of the best features of the Renault Car range to the cabin, delivering a highly premium feel. A dashboard with chrome inserts and the 4.2" colour display on the instrument panel bring a true feel of quality to Trafic, along with the 84 litres of convenient storage solutions. Enjoy your journey from start to finish with the 8" EASY LINK multimedia system and stay connected through the smartphone integration brought by Android Auto or Apple CarPlay, all while charging your device on the wireless smartphone charger[^].

*depending on versions. [^]currently not available to order.
Android Auto™ is a trademark of Google Inc. Apple CarPlay™ is a trademark of Apple Inc.
